Nike J.Crew Killshots. What do you think? I don't wear white shoes often. (Sorry for the blurry pictures. I was in the store and hurried to take them.)

I love them, just wish that the over sized swoosh was smaller or on the heel.

How did you size them?

They fit true to size. Maybe a hair on the small side at first, but once they break in they're perfect.

I love white shoes but not with a gum sole. However these looks damn good. I like the brown ones too.

I think it's overbranded. It looks good, but in my opinion a shoe without the swoosh would look better.

I see a lot of guys (in the UK) wearing Oakland Raiders apparel. Has the Raiders logo - like the Yankees - become a fashion
